

Day 1 Thursday 26th Mar 2026

08:45 – 09:00	Introduction
09:00 – 10:00	<u>Barrett's mini symposium: Future of Barrett's surveillance and endotherapies</u> Endoscopic surveillance of Barrett's in 2026 and beyond - Dr Massimiliano di Pietro Endoscopic treatment of Barrett's cancer: How far can we go? - Prof Michael Kaminski Panel: Prof Anjan Dhar, Dr Charles Gordon, Dr Sharmila Subramaniam
10:00 – 11:30	Multi-Disciplinary Meeting: Video Case-based discussion and decision making Dr Noor Mohamed, Dr Jeong Sik Byeon, Prof Michael Kaminski, Prof Sunil Dolwani, Dr Roser Vaga, Dr Rajesh Puri, Prof Roberta Masseli, Dr Noriko Suzuki Panel: Prof Pradeep Bhandari, Dr R Haidry, Dr Massimiliano di Pietro
11:30– 11:45	Coffee Break
11:45 – 12:45	<u>AI mini symposium</u> AI for UGI: Dr Jeong Sik Byeon AI for LGI: Prof Cesare Hassan AI (LLM) for smartening up endoscopy: Dr Yuichi Mori Panel: Prof Sunil Dolwani, Prof Michael Kaminski, Prof Pradeep Bhandari, Dr Omer Ahmad
12:45 – 13:45	Lunch Break
13:45 – 15:30	<u>Innovation in endoscopy</u> <u>1) Industry driven: new devices</u> Olympus (SutuArt, RDI, Olysense) Fujifilm (New generation endoscopes for therapeutic endoscopy) Creo (Speedboat Notch) Erbe (Hybrid Flex/underwater EMR/ESD modes) Boston Scientific (X-tack, Mantis, Overstitch) Medtronic (new generation GI-Genius/Endoflip) Steris (Relodable & Rotateable clips) Ambu (Single use endoscopes) Panel: Dr Vinay Sehgal, Dr Ed Despott, Dr Noor Mohamed

2) Innovations in action

RDI in bleed management- Dr Adolfo Parra-Blanco

ACI in ESD - Prof Roberta Maselli

Speedboat and microwave assisted haemostasis - Dr Zach Tsiamolou

High power jet-assisted ESD - Prof Michael Kaminski

Endoflip guided third space endoscopy - Dr Rehan Haidry

Gastric mucosal ablation for weight loss - Prof Bu Hayee

Underwater sealing of vessels during ESD - Prof Pradeep Bhandari

Panel: Dr Roser Vega, Dr John Anderson, Dr Fergus Thursby-Pelham

15:30– 15:45

Coffee Break

A smart approach to third space

15:45 – 16:30

Smart approach to POEM in 2026- Dr Pankaj Desai

Anterior Approach to G-POEM - Prof Bu Hayee

Applying third space techniques to management of oesophageal diverticulum (D-POEM) and gastric twist (T-POEM) - Dr Asma Alkandari

Panel: Dr Rajesh Puri, Prof Anjan Dhar, Dr Asma Alkandari

16:30 – 17:30

E(U)RCP: How is EUS changing ERCP practice

Conventional ERCP: Challenges & Solutions: Dr Pankaj Desai

E(U)RCP: Technique: Dr Rajesh Puri

E(U)RCP: Indications(Now & Future): Dr Nadeem Tehami

E(U)RCP: Challenges & Outcomes: Dr Vikramjit Mitra

Panel discussion: Dr Sara Alghamdi, Dr Noor Bekkali, Dr S Mahmood

Parallel symposium 1: Practical skills

Thursday 26th Mar 2026

1330-1345

Diathermy Essentials

RFA & Microwave: Dr Zach Tsiamolou

Monopolar: Dr Kesavan Kandiah

Panel: Dr Fergus Chedgy, Dr Sharmila Subramaniam

1345-1400

Essentials in snaring

All you need to know about snaring: Dr Fergus Thursby-Pelham

Panel: Dr Fergus Chedgy, Dr Omer Ahmad

1400-1430

Essentials in clipping & Haemostasis

Through the scope: Dr Roser Vega

Over the scope: Dr Imdadur Rahman

Panel: Dr Phil Boger, Dr Mo Thaufeeq

1430-1500

Haemostasis

Monopolar and bipolar: Dr Fergus Chedgy

Topical haemostats: Dr Sharmila Subramaniam

Panel: Dr Phil Boger, Dr Mo Thaufeeq

1500-1530

Break

1530-1630

Emergency endoscopy symposium

Non-variceal bleeding: Dr Mo Thaufeeq

Variceal bleeding: Dr Phil Boger

Gastric Varices: Dr Rajesh Puri (EUS guided)

Foreign body retrieval : Dr Gaius Longcroft-Wheaton

Panel: Dr John Anderson, Dr Charles Gordon

Day 2 Friday 27th Mar 2026

- 08:30 – 09:15 **Polyp Predicament: Hot, Cold, and the Critical Choice to Resect or Discard**
- AI-based resect & discard** - Prof Cesare Hassan
Hot EMR in 2026 and beyond- Prof Sunil Dolwani
Cold EMR (How, where and what) - Dr John Anderson
Underwater EMR (How, where and what) - Dr Noriko Suzuki
 Panel: Dr Yuichi Mori, Dr Barbara Bastiaansen, Prof Marietta Iacucci
- 09:15 – 10:15 **One Rectum, Four Realities: Which Technique Wins?**
- EMR for rectal polyp : Is it still viable in 2026?** - Dr John Anderson
A guide to rectal ESD - Prof Michael Kaminski
Bridging the Gap: EID for Invasive Rectal Polyps -Dr Barbara Bastiaansen
The role of TEMs in 2026 - Prof Jim Khan
 Panel: Dr Imdadur Rahman, Mr Aryn Haji, Prof Roberta Maselli
- 10:15 – 11:15 **Future of ESD: Novel knives, diathermy, underwater, pocket/tunnel, traction, scopes**
- Pocket/Tunnel ESD** - Dr Noriko Suzuki
Traction (Internal) ESD - Dr Barbara Bastiaansen
Traction (External) ESD- Dr A Parra-Blanco
Saline Immersion ESD – Dr Ed Despott
Panel discussion : Indications, techniques and decision-making
 Panel: Prof Pradeep Bhandari, Dr Sharmila Subramaniam, Dr Noriko Suzuki
- 11:15 – 11:30 **Coffee Break**
- 11:30 –13:00 **Complication, Challenges and Solutions: Lessons learnt**
- Bleed 1** - Dr Adolfo Parra-Blanco
Bleed 2 - Dr John Anderson
Colonic perforation 1 - Mr Aryn Haji
Colonic perforation 2 - Dr Roser Vega
Oesophageal perforation - Dr Vinay Sehgal
Fistula / Leaks- Dr Rehan Haidry
Sphincterotomy bleed - Dr George Webster
Difficult cannulation - Dr Pankaj Desai
WON complications - Dr Rajesh Puri
- Panel: Dr John Anderson, Dr Nadeem Tehami, Dr Fergus Chedgy, Dr Massimiliano di Pietro
- 13:00- 1345 **Lunch**
- 13:45 –14:45 **IBD endoscopy**
- Basics of IBD endoscopy** - Prof Anjan Dhar
IBD surveillance - Prof Sunil Dolwani
Management of IBD neoplasia- Dr Noriko Suzuki
AI in IBD- Prof Marietta Iacucci
 Panel: Prof Sunil Dolwani, Prof M Kaminski, Dr A Alkandari

14:45- 15:45	<u>Bariatric and metabolic endoscopy</u> ABCs of Anti-Obesity Meds (AOMs) - Prof Anjan Dhar ESG for Obesity & NAFLD - Dr Maryam AlKhatry Metabolic endoscopy (Duodenal resurfacing) - Dr Rehan Haidry Panel Discussion: Prof Bu Hayee, Dr Pankaj Desai, Dr Ed Despott
15:45 – 16:00	Coffee Break
16:00 –17:00	<u>Tissue closure: Choosing between Clips, Tacks & Sutures. Where, When & How?</u> Conventional clip closure : Dr Nisha Patel/XXXXXX Mantis Clip closure : Dr Ed Despott X-tack closure: Prof Bu Hayee Overstitch closure : Prof Roberta Maselli SutuArt : Mr A Haji Panel: Dr Phil Boger, Dr Mo Abdelrahim, Dr Mariam Al-Khatry
17:00	Wrap-up and message of the day

Parallel symposium 2: HPB symposium

Friday 27th Mar 2026

1330 - 1350	Improving the quality and safety of ERCP Speaker: Dr Simon Everett Panel: Dr Rajesh Puri, Dr Jim Callaghan
13:50- 14:10	Management of biliary stones in 2026 and beyond Speaker: Dr George Webster Panel: Dr Shehzad Amir, Dr Sajjad Mahmood
14:10- 15:40	<u>Hot topics in EUS</u> EUS complications: what can go wrong and how to manage it? - Dr Rajesh Puri LAMS in 2026 - Indications - Dr Vikramjit Mitra - Alternatives - Dr Sajjad Mahmood - Current Situation of LAMS in UK – Dr Noor Bekkali Novel Indications of EUS- Dr Nadeem Tehami Panel: Dr Sara Alghamdi, Dr Rajesh Puri, Dr Simon Everett
